Class: 12th | School: Career Launcher

WELCOME TO CAREER LAUNCHER YOUR PERSONAL CAREER GUIDE!

Dear srishti agarwal,

Thank you for your association with the Career Guidance Program at Career Launcher.

You must have been eagerly awaiting the result and interpretation of the assessment that you took on 2017-08-10 00:00:00 at your school. The findings are now here. These have been understood, analyzed and interpreted to comprise this report. You will find an elaborate explanation of your Aptitude, Interest and Personality profile, in the pages that follow. Your assessment results have been understood and put through the Career Fitment Analytics system, to identify the most suited career profiles for you.

We recommend that you and your parents familiarize yourselves with the report before the one-on-one interaction with our counselors. They shall guide you through your further education and career planning process, so as to facilitate systematic and informed academic and career decision making.

We wish you the very best,
Team Career Launcher.

Sample Report

ABOUT THE REPORT

This report provides an in-depth description of your responses to the Career Guidance Program Assessment. Designed to help you identify and understand your potential, personality and career interests, this report can start you on the journey of matching your attributes with your academic and career goals. To guide you through the career planning process and help you set goals, a variety of career recommendations that correspond with your personal attributes are provided. This report is designed to expand your options, rather than limit them, thereby providing you many avenues to explore.

AS YOU READ THROUGH THIS REPORT THERE ARE A NUMBER OF THINGS TO KEEP IN MIND:

- This report is solely based on the introspective data provided by you on the Career Guidance Program Assessment tools.
- This report presents several career recommendations to you which fit your personal profile in some way. Therefore, do not focus on finding a perfect career. Kindly consider a multitude of factors while zeroing down your career options.
- When you are making career decisions gather as much information as possible.
- The analyses drawn in this report are based on single evidence and hence must be supplemented with other information such as academic grades, etc. The results of this report should be used with caution.

HOW WILL THIS REPORT BENEFIT YOU?

- Understanding your abilities, personal characteristics and interests and preferences
- Identifying career options that are consistent with your personal profile
- Directing your career exploration and planning based on informed and accurate results
- Charting out action plan to advance your career goals
- Gaining extensive insights about different careers
